Dear Mr. and Mrs. Dillard :

On behalf of the South Carolina Correctional Association, I would like to take this opportunity to express our heartfelt thanks to your company for the generous gifts you donated to support our 28th Annual Correctional Luncheon.

I want to commend you for your generosity and I know that the individuals who had the good fortune of being recipients will never forget the moment that their lucky number was called. We appreciate your decision to support our appreciation luncheon this year. Your support allowed our committee to reach our goal of recognizing and honoring those selfless individuals working in the trenches each and everyday to protect and serve our great state and nation.

We could not have had a successful luncheon without your support. With the help of donations from supporters such as you, we will continue to be able to give them a well deserved thank you.

Again, thanks so much for your support.

Best regards,

Loretta Bookard
Chairperson
SCCA Officer Appreciation Luncheon
