Dear Dillard Financial Solutions Inc:

Thank you very much for your contribution to the 2013 NASCOE National Convention which was held in our beautiful state last month at the Crowne Plaza Tennis and Golf Resort, Asheville NC. We had 484 registered attendees from all over the United States who are employees of the Farm Service Agency and are members our association NASCOE/NoCASCOE. This was a large endeavor for NC to take on this large task and without sponsorship such as yours; this would not have been possible.

Your continued support is greatly appreciated. NoCASCOE looks forward to continually working with you as we serve the farmers and agriculture community of North Carolina.

Please find enclosed a printed program where you are listed as a sponsor.

Sincerely,

*Lorraine Dillard*
